JAG PHYSICAL THERAPY TO OPEN OCTOBER 31 IN WEST ORANGE

WEST ORANGE, NJ - JAG Physical Therapy, a comprehensive orthopedic and sports physical therapy center is proud to announce the opening of its premiere location at 622 Eagle Rock Avenue in West Orange, New Jersey on Monday, October 31. JAG is a 3,000-square foot state-of-the-art rehabilitation facility. John Gallucci Jr., a noted physical therapist and athletic trainer, is the President and Founder of the center. JAG Physical Therapy utilizes state-of-the-art Cybex rehabilitation equipment and expert care to help patients “get back in the game”.

Mr. Gallucci is the Head Athletic Trainer for the MetroStars Major League Soccer team and has over twelve years experience rehabilitating orthopedic injuries for professional, Olympic, and amateur athletes. He is the former Director of the Saint Barnabas Athlete Training Center, a department of the Saint Barnabas Sports Medicine Institute.

JAG Physical Therapy’s services include: physical therapy and rehabilitation, nutritional consultation, massage therapy, individual post-rehab programs, a “Return to Sport” Program, and Active Release Technique (ART).

Mr. Gallucci has been the sports medicine consultant for many local and national athletic clubs and teams, including the former New Jersey Gladiators of the Arena Football League. The Staten Island, New York native is a veteran of the New York/ New Jersey sports scene. He has served as Head Athletic Trainer for the former New Jersey Storm of the National Lacrosse League, the New Jersey Pride of Major League Lacrosse, and the New York Athletic Club Wrestling Team.
