JAG Physical Therapy Working With Stars

NEWARK, NJ – John Gallucci, Jr. and his team at JAG Physical Therapy continue to be involved in the health and welfare of a wide variety of people. The JAG Physical Therapy team works with patients from all walks of life.

Gallucci, who founded JAG Physical Therapy three years ago, is currently working with the new Prudential Center in Newark and coordinating the medical care of various entertainers who are visiting and performing at the venue. The list includes celebrities such as Britney Spears, the Spice Girls, Tina Turner, Celine Dion and the New Jersey Ironmen soccer team.

“We have an excellent staff of professionals who are really interested in the health of our patients,” explained Gallucci. “JAG Physical Therapy is on the cutting edge of bringing people back to good health and I know our staff gets a great deal of satisfaction out of helping people.”

JAG Physical Therapy has opened a new office in Warren Township at 34 Mountain Boulevard, Building C where it has a 3,500 square foot state-of-the-art rehabilitation facility. The flagship location is in West Orange, N.J. For additional information, log onto www.jagpt.com.
